Cedrus

All-Day Dining Restaurant

Cedrus, the all-day restaurant at Bookmark Resorts, Manali is a delightful space for culinary enthusiasts who want to savour meals with flavour.

Eating is not just an activity, it's an experience, we offer a décor that is warm and comforting with the generous use of wooden flooring and a soothing colour palette. The artefacts are unique and command attention as soon as you make your way here – particularly interesting is the element that sits right at the centre, on a table, with water gushing from it. Not only does it look pleasing to the eye but the gurgling sound of the stream is a reminder of the rivers that crisscross through the state of Himachal Pradesh.
