RESORTS, KANHA

Brief Sketch

“Step into a world where the forest sets the pace, mornings begin with birdsong and every trail carries the promise of discovery. At Kanha, time slows, the wilderness draws closer, and each moment becomes a story waiting to be remembered.”

Between the pages of a story is a beautiful place to be.....

Tucked into the forests of Kanha, Bookmark Resorts, Kanha is a quiet retreat where open spaces, abundant greenery and the sounds of the wilderness shape each day. Set close to the Mukki Gate of Kanha National Park, the resort brings together the raw beauty of Central India and the ease of thoughtful, contemporary comfort.

KANHA EXPERIENCES

Signature Experiences

Kanha National Park safari

Kanha is home to tigers, barasingha, gaur, leopards, wild dogs and abundant birdlife. The resort is about 15 minutes from Mukki Gate, ideal for morning and afternoon safaris. Best visited from mid-October to June, with November to February offering the most pleasant weather.

Guided Bird Watching

Explore Kanha's rich birdlife through a guided walk around the resort and nearby natural areas. Early mornings are best for spotting woodland and wetland species. Ideal for birders, photographers and nature lovers.

Signature Experiences

Nature Walks

Discover Kanha at a slower pace through guided walks focused on native trees, insects, birds and forest ecology. Best enjoyed in the morning or late afternoon. Suitable for families and nature enthusiasts.

Fishing by the Lake

Spend an unhurried hour beside the resort's private lake and enjoy the simple pleasure of recreational fishing. Measuring approximately 480 ft. x 70 ft., the lake offers a tranquil setting surrounded by the resort's natural landscape — ideal for guests looking for a peaceful experience between safaris.

Signature Experiences

Butterfly trail

Walk through flowering areas around the resort while observing butterflies and other pollinators. Activity varies with season, sunlight and flowering cycles. Best enjoyed during bright, mild mornings.

Kids nature trail

A fun and interactive trail designed to introduce children to plants, birds, insects and the natural world. The easy-paced experience encourages curiosity and outdoor learning. Best suited for families with young children.

Signature Experiences

Mukki village tour

Experience rural life around Kanha with a guided visit to Mukki village. Learn about local traditions, farming practices and the community's connection with the forest. Best visited during the cooler morning or evening hours.

Forest photography

Capture Kanha's landscapes, birds, plants and natural details in the soft light of morning or evening. The experience suits both smartphone and camera users. Best enjoyed around sunrise or before sunset.

Signature Experiences

Cycling through nature

Swap the jeep for two wheels. A cycling track of roughly 1.5 km runs through the landscaped grounds and the greener, quieter sections of the property, at whatever pace suits you.

Bamni Dadar Sunset

Bamni Dadar offers a peaceful way to experience Kanha beyond the excitement of a safari. As the day draws to a close, the surrounding forests and open landscapes take on warm golden tones, creating a quiet setting to watch the sun disappear over the wilderness.

Bonfire evenings

Cycling through nature

Unwind around a warm bonfire after a day of exploring Kanha. Cool winter evenings make the setting especially enjoyable for sharing stories and relaxing outdoors. Best experienced from November to February.

Organic farming experience

Discover seasonal vegetables, herbs and local produce through a hands-on visit to the resort's growing areas. Learn simple farming and cultivation practices while spending time close to nature. Best enjoyed during cooler morning or evening hours.

Bonfire evenings

Farm-to-fork dining

Enjoy a meal inspired by fresh, seasonal ingredients and produce grown closer to the source. The menu changes naturally with availability and season. Ideal for guests looking for fresh and thoughtfully prepared food.

Traditional millet experience

Discover regional food traditions through dishes prepared with locally familiar millets and seasonal ingredients. Preparations may change depending on the chef and season. A simple way to explore the flavours of Central India.

Bonfire evenings

Wood-fired cooking

Experience food prepared over a traditional wood fire, adding natural smokiness and depth of flavour. The setting and cooking process become part of the meal itself. Best enjoyed during relaxed evening dining.

High tea by the lake

Settle beside the resort's private lake as the afternoon cools. Tea, coffee and light refreshments are served against water, greenery and open sky, a natural pause between the morning safari and the evening ahead.

Bonfire evenings

Chef's seasonal tasting

Enjoy a curated tasting menu shaped by seasonal produce and locally inspired flavours. Each course reflects what is freshest and most suitable at the time. Ideal for couples, celebrations and food-focused travellers.

Forest Bathing

Slow down among the trees through gentle walking, breathing and mindful observation of nature. The experience focuses on sounds, scents and stillness rather than distance. Best enjoyed in the quiet morning or late afternoon.

Bonfire evenings

Guided Meditation

Take a quiet pause with a guided session focused on breathing, relaxation and awareness. The peaceful natural surroundings make it easy to disconnect from everyday distractions. Suitable for beginners and regular practitioners.

Sunrise Yoga

Begin the day with gentle stretches, breathing and movement as the forest wakes around you. Cool mornings offer the most comfortable setting for an outdoor session. Ideal before breakfast or a day of exploration.

Bonfire evenings

Birdsong Meditation

Sit quietly at dawn and let Kanha's natural bird calls guide a peaceful meditation. The experience is about listening, stillness and connecting with the morning landscape. Best enjoyed during the early hours after sunrise.

Ayurveda & Spa Therapies

Relax after a safari with restorative spa and wellness treatments designed to ease body and mind. Treatments may include Ayurvedic therapies, massage and relaxation rituals. Ideal during the late morning, afternoon or early evening.
